Building collaborative action plans through crowdsourcing data.

Dr. Isabelle POITOU
Founder and Director

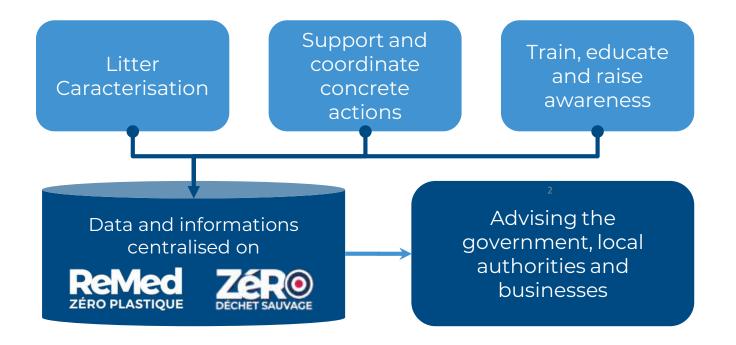

MerTerre

Zero Marine Litter Goal!

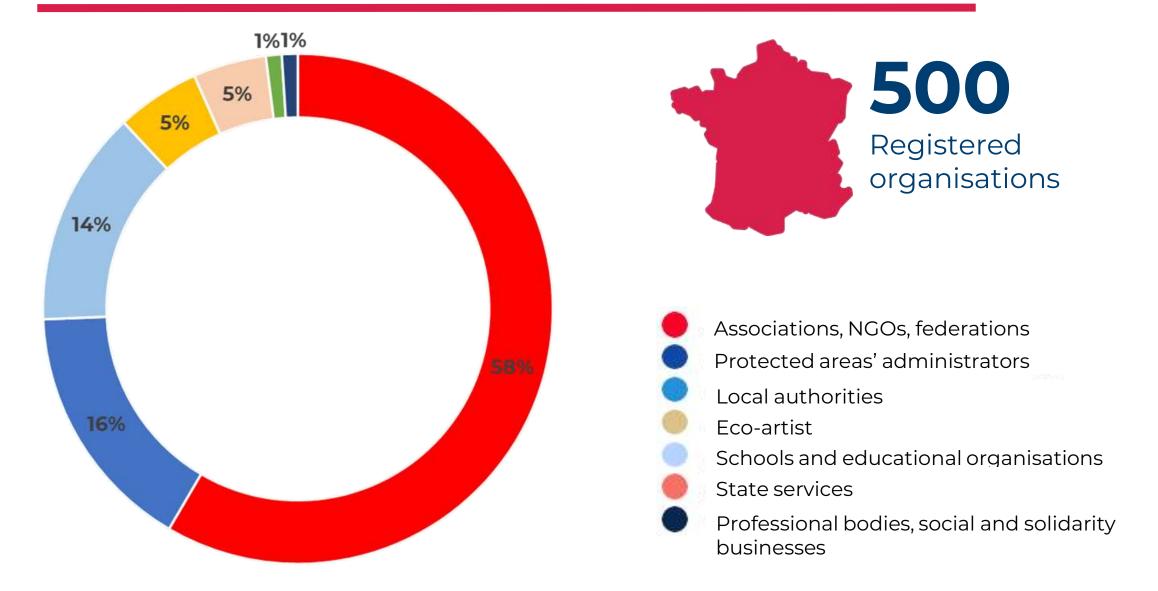

La plateforme Zéro Déchet Sauvage est pensée et coordonnée par l'association MerTerre, co-conçue avec le Muséum national d'Histoire naturelle et financée par le ministère de la Transition écologique et la région SUD Provence Alpes-Côte d'Azur. Elle a été développée à partir de la plateforme pilote ReMed Zéro Plastique.
